

Flexible recycling piece made of resistant Swedish steel. Available in 11 standard colors and delivered with specially designed symbols for easy sorting. Birdie is made in two sizes and holds 43 L (Birdie 500) and 63 L (Birdie 750). Both have soft closing lids and inlets in stable quality plastic. Birdie has received many international awards thanks to its unique shape and good design.

### **Sustainability & Material**

Frame in powder coated steel made in Sweden, consists of 20% recycled materials. The steel is 100% recyclable. The powder coating is a good environmental choice as no solvents are used. The lid inlet is in plastic and marked according to ISO 11469 for recycling. It can easily be removed for cleaning and is dishwasher safe. The lid in the closed position prevents odor and works in an upright position as a splash protection. Birdies thought through design makes it easy to empty.

How to order Birdie:

Always start from the left and repeat steps 1–2 for each new unit.  
 Finish each combination by selecting step 3.  
 (For Birdie wall – skip step 3).

- 1 Choose unit (size, color, floor or wall).
- 2 Choose a symbol.
- 3 Choose a footplate.
