

Hold

Design | **Tengbom**

 TENG BOM

TreCe, together with Tengbom architects, have developed the recycling bin Hold. A collaboration that started with Tengbom seeing a need for a different and functional recycling bin that could meet the needs of smaller spaces. Conference rooms, hotel rooms, smaller meeting rooms, etc. TreCe was contacted and the result was Hold.

A small and functional bin with a lid that is available in 7 different profiles. There is also a wall mount for Hold, which means that it can be placed on the wall.

Hold is available in 11 RAL colors.

Sustainability & Material

Frame in powder coated steel plate made in Sweden and consists of 20% recycled materials. The steel plate is 100% recyclable. The powder coating is a good environmental choice as no solvents are used. Container bins in 100% recycled plastic. The container bins are dishwasher safe.

Hold Recycling

Frame: Powder-coated steel plate.
Lid: 1.5 mm powder-coated steel.
Container: 100% recyclable ABS-plastic.

How to order Hold:

- 1 Choose frame (floor or wall) & color.
- 2 Choose lid & color.
- 3 Choose container bin or a bag holder.

Hold Floor

Width 340 mm, Height 300 mm, Depth 230 mm
